Mila, Carmen Marc Valvo's latest ophthalmic, is adorned with Swarovski crystal accents. Made from monel, the handmade acetate temples add even further appeal to this frame. The metal is hand-polished to a perfect sheen and is available in glamorous shades of brass (shown here) and antique silver. This oversized, yet soft, rectangular shape brings a touch of sophistication to the wearer's face. **For more information, contact Signature Eyewear at 800-765-3937 or [sigeye.com](http://sigeye.com).** ▼
